SC125T KIT

PRODUCT BENEFITS*

- Designed for safety and affordability. Works with 3D, LED and HD TVs. Fixed or tilt position is perfect for a dedicated viewing area or room with windows.
- Connect your gaming system, Blu-ray™, cable box and more to your high definition TV with high-speed, 9 foot HDMI™ cable.
- Connect your antenna and cable box to your TV with 12 foot coax cable. High quality 75 Ω cable to route TV and cable signals. Quad shielded for high performance.
- Organize your cables with easy-to-reuse velcro cable ties.
- Protect your sensitive home theater equipment from electrical surges with 1200 Joule rated Surge Wall Tap. Outlets swivel for low profile behind furniture.
- Vertical rails slide on wall plate for minor left/right repositioning
- UL listed for safety
- Includes hardware kit, installation template, HDMI cable, coax cable, surge protector, cables ties, level and stud finder for simple, accurate mounting
